1.1 Overview of CSADM

The Charter School ADM (Average Daily Membership) Projection System

CSADM is an online system designed to assist each charter, regional or lab school with improving the accuracy of key components in the budgeting process. This online system is comprised of three phases, with each phase having a specific collection period established by the Department of Public Instruction.

Only electronic submissions received from Board Chairs or head administrators identified in the CSADM Submission Directory are accepted. The <u>CSADM Submission Directory</u> is maintained by School Business. Questions and modifications should be emailed to Systems Accounting, <u>Systems Accounting@dpi.nc.gov</u>.

Phases

- Phase 0, Material Increase in ADM, or Grade Expansion: November X, XXXX November X, XXXX
 - Submissions are required of all Charter, Regional and UNC Lab Schools with current school year enrollment.
 - This phase gathers information for the State Board of Education concerning requests for SY 20XX-XX enrollment growth and/or grade expansion of the provisions of a charter's application.
 - Only electronic submissions using CSADM will be included in the State Board of Education approval meeting.
- Phase I, Initial Submission for the ADM Projection: January XX, XXXX January XX, XXXX
 - Submissions are required of all Charter, Regional and UNC Lab Schools with current school year enrollment.
- Phase II, Final Verification: Initial ADM: June X, XXXX June XX, XXXX
 - Preliminary Phase II Review and Preparation Guidelines
 - Submissions are required of all:
 - Charter schools with current enrollment
 - Charter schools approved by the State Board of Education to open in 20XX-XX
 - UNC Laboratory schools with current enrollment
 - UNC Laboratory schools approved by the NC General Assembly to open July X, XXXX
